

OFFICE OF THE DISTRICT ATTORNEY
DOUGLAS COUNTY

Mark B. Jackson
District Attorney

July 22, 2008

As the elected District Attorney for Douglas County, I am reminded every day of the many issues affecting the health, safety and welfare of the citizens of our great state. I am also mindful of the impact that the Nevada Supreme Court has on these issues and the importance in electing the most qualified person for the Nevada Supreme Court, Seat B. That person is Judge Deborah Schumacher.

It is my sincerest pleasure to endorse Judge Deborah Schumacher for Nevada Supreme Court, Seat B. Not only is Judge Schumacher the only sitting judge running for election for Seat B, but her accomplishments and professional experience make her the best candidate for one of the most important elected seats in our state.

Judge Schumacher's ethics, integrity and judicial experience are unmatched. She serves on the Ethics Commission and has received the highest performance rating of all District Court Judges in Washoe County.

The choice is clear. Please join me in supporting Judge Schumacher in her campaign for Nevada Supreme Court, Seat B.

Sincerely,

Mark B. Jackson
District Attorney
