Dear Judge Schumacher ,

There are many issues that face the firefighters throughout the State of Nevada today. Whether it's homeland security here in our state, the transport of nuclear waste through our communities, collective bargaining statutes, the defense of our worker's compensation statutes or our public retirement system. Our members have many concerns. Today public safety workers are on the frontline of our state's defenses.

Because of the support you have expressed to the firefighters of the state, the Professional Firefighters of Nevada are proud to support your candidacy for the office of Nevada State Supreme Court Justice.

Please accept this endorsement on behalf of the Professional Firefighters of Nevada. If we can be of any assistance to you please feel free to contact either Rusty McAllister at (702) 493-2796 or Joe Espinoza at (775) 690-4603. We look forward to working with you during the upcoming legislative session.

Respectfully,
